

Relevant Communications Experience

Communications Assistant

Hurghada Environmental Protection & Conservation Association, Egypt | Jul 2024

- Produced a flagship short film for sustainable tourism initiatives, promoting reef conservation by addressing tourists and prominent hotel groups within Hurghada.
- Independently managed full travel, accommodation, and production schedules for international placements as well as event logistics for collaborators on-site.
- Delivered month-long multi-channel communications, managed social media strategy and content delivery, increasing Instagram reach by 4,900%.

Live Broadcast Producer & Event Host

Better Planet Live, University of Bristol | May 2024

- Produced and hosted a live-streamed panel communicating a variety of environmental topics. Managing event logistics, guest liaison, technical set-up, and live social media coverage.
- Compiled post-event reporting and analytics presentations.

Freelance Campaigner – Media & Content

VIVA!, Bristol | Aug 2023

- Delivered a successful multimedia awareness campaign, securing over 300K YouTube views and national press attention.
- Produced and edited multimedia assets and coordinated media outreach.

Sustainable Development Intern – Communications & Outreach

Global Vision International, Nepal | Jul 2022

- Executed an educational outreach initiative, including logistics, scheduling, and stakeholder coordination.
- Created awareness campaign materials aligned with UN SDGs for public health and environmental projects.

Hospitality & VIP Events

Various Venues | 2017-present

- Delivered premium guest services and operational support at high-profile events including the Raf Simons SS23 Collection and the opening of DRUMSHEDS, London's largest new cultural venue.
- Responsible for VIP guest logistics, backstage coordination, PR outputs, and ensuring discreet, seamless event experiences for talent and press.

Education
